September 2026

Dear Friends and Supporters of St. Josephine Bakhita School Gitare Kenya,

We would like to begin this year's appeal by registering our sincere gratitude to all those who have consistently supported our school project from the beginning to this day. Your generosity has enabled us to provide our students with facilities and other resources for learning. We also welcome those who have joined us along the way to support our project for the benefit of the children of Gitare Kenya.

As some of you are aware, the school relies heavily on donations from generous donors who have believed in our cause to bring change to the lives of young people in this part of the world. Through this support, we are able to finance the cost of education for all students making sure that no student is left behind and build needed facilities necessary for learning.

For our 2026-2027 appeal, we are seeking your financial support to fund the above two most important needs: Firstly, support for students and families who cannot afford minimal tuition and school fees due to extreme poverty experienced in this area. Secondly, to complete the kitchen and dining facility where students and all staff can have lunch in a clean and healthy environment and not on their desks and workstations as is the case today. Work remaining on the kitchen and dining hall includes, walls plastering and painting, doors and windows, floors and ceiling, electric work and cooking stoves, tables and chairs.

The Newsletter included with this letter has information of current school needs and how you can help us accomplish our mission.

We are a non-profit organization a 501(C) (3). Please visit our website: www.gitarekenyaoutreach.org to see the progress of the school. Donations can be made electronically or by check to: **Gitare Kenya Outreach Inc. P.O. Box 373 Wayland, NY 14572**. We also welcome and appreciate those who may feel moved to consider a donation through their estate planning.

This year, we have created another opportunity for donations to be made electronically by scanning our QR code shown on the right. Please scan and securely make your donation directly to our community bank account.

We are always grateful for your prayers and support that have made it possible for so many young people to access education. "Asante Sana", Swahili for "Thank you very much"!

Sincerely,

Board of Directors: Sally Leeson, James Feely, Susan J. Keister, Fr. Stephen N. Karani, Susan Kuhn, Dr. Nancy Kuria-Taylor, (Ellen Stephens, Mary Biggee – Emeritae members).
